The sightseeing spots which we recommend to you

The sightseeing spots is the first
step to enjoys Mombetsu
fully. Please ask a closure day,
the opening time, etc.

This is fun

1 Hyoumon no Eki

Hyoumon no eki is a shopping mall built after the ex-Mombetsu JR station in 1989. It has various souvenir shops and a grocery store. There are restaurants and it is public.

1-1 saiwai-cho, 4chome Mombetsu City Tel:0158-23-1141

5 Okhotsk Tokkari Center

"Tokkari" means local idol seal. Phoca largas are arranged in "Gomaps". You can have opportunity to come into contact with them in feeding time.

2 Kaiyo koen, Mombetsu City Tel:0158-24-7563

2 Mombetsu Museum・Machinakageizyutsukan

A Museum to display the present and past in a stylish way. You can see the history of Mombetsu from the prehistoric age to the present day. There is information on the Kounomai Gold Mine, too.

1-4 saiwai-cho, 3chome Mombetsu City Tel:0158-23-4236

6 Mombetsu Health Pool「STAIR」

This facility has water slider which is 86m long, outdoor pool, athletic pool, popular flowing pool and training pool. You can enjoy them throughout a year.

11-5 motomombetsu, Mombetsu City Tel:0158-23-9400

3 Okhotsk Sky Tower

It is a tower built in Oyama mountain park, which has an elevation of 334 meters. It's the best spot where you can see the sea of Okhotsk. The scenery is superb.

25-2 oyama-cho, 4chome Mombetsu City Tel:0158-24-3165

7 Okhotsk Sea Ice Museum of Hokkaido [GIZA]

It is the experience-based facilities in which we can learn sea ice and the sea of Okhotsk from a scientific viewpoint. I can touch the sea ice throughout the year in the intense cold experience room degrees.

which we
recommend to you

The photography spot

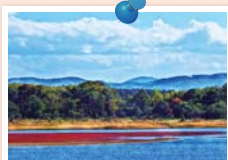

It is very
beautiful.

Mombetsu has many a very beautiful photography all together.
Please enjoy commemoration photography all together.

1 The object of the nail of a crab
It is the object of the symbolic existence of Mombetsu. The height of this tower is 12 meters. Taking pictures side by side you will feel the stringency.

2 Lake Komuke
Various plant and rich nature are the paradise of wild birds. The scenery of the lake, sea, mountain are fantastic.

3 Sea ice cape
You can overlooking the Sea of Okhotsk from here. You can take a close look at the sea ice in winter. You might be able to take the best shot of the sea ice.

4 Mombetsu park
This is The park of the hill which can command a panoramic view of the city. Please take a picture of wonderful memories in Mombetsu there.

When you drive to Takinoue town and Ukishima IC, pay attention to the animals. They may come into the road suddenly.

■Takinoue town
about 33km / 35 minutes
